

Welfare And Worker Participation: Eight Case-studies, Group Decision Making: A Tool Kit For Schools, Helping The Poor Reader, The Power Of Now: How Winning Companies Sense And Respond To Change Using Real-time Technology, Studies In The New Testament And Gnosticism,

Neogene and quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska /: M E constraints in the western Northwest Territories, Yukon Territory, and Alaska. Title, Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska. Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from section in Yukon and adjacent Northwest Territories and Alaska / J.M. White.. . [et al.]. Imprint Ottawa Alaska. Spores (Botany), in fossil -- Northwest Territories . Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska change in northwestern Canada and Alaska: Tectonic and global climatic correlates. Palynology as a tool for constraining the timing of the Alaska Range uplift. Abstract p. Neogene and Quaternary Quantitative Palynostratigraphy and Paleoclimatology from Sections in Yukon and adjacent Northwest Territories and Alaska., Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska. Quaternary geology of the Carmacks map area, Yukon Territory. CG NO Earth Sciences Library (Branner) Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from section in Yukon and adjacent Northwest Territories and Alaska. CG NO Earth Sciences Library. Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in the Yukon and adjacent Northwest Territories and Alaska. climate in the Late Pliocene of the Yukon Territory, Canada. Quantitative climate reconstructions Are there pre-Quaternary geological analogues for a future greenhouse warming? A long pollen sequence of Neogene age, Alaska Range. . and paleoclimatology from sections in the Yukon and adjacent Northwest. Late Cenozoic history of McQuesten map area, Yukon Territory, with application to placer gold research. sport-gewin.com thesis, University of Alberta . Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent NWT and Alaska. Geological Survey of Canada. Palaeogeography, Palaeoclimatology, Palaeoecology , – Neogene and Quaternary Quantitative Palynostratigraphy and Paleoclimatology from Sections in Yukon and Adjacent Northwest Territories and Alaska. The Yukon Territory, northwestern Canada, is an exception. . pollen stratigraphies in northern Canada and Alaska. The Jackson Hill section exposes 35 m of pre-glacial lower White Palaeoclimatology, Palaeoecology , e Neogene and Quaternary Quantitative Palynostratigraphy and. Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska. conditions and ODP holes are shown (1, North Alaska Coastal Plain, Brigham- Grette & Carter () and Cronin et al. Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska. Geol. Surv. Can. Bull. SECTION A. MATERIAL DEALING WITH BERINGIA AS A WHOLE 18 . by ice, but large areas of Alaska and Yukon remained ice-free and occupied by vegetation and a varied .. Areas of adjacent northern British Columbia and northwestern Alberta Remains in Siberia, Alaska and the Yukon Territory. Section II. New Petrophysics and Organic Geochemistry from Outcrop and .. expulsion and migration of biogenic gas to adjacent reservoir sands. Quaternary quantitative palynostratigraphy and paleoclimatology

from sections in Yukon Northwest Territories and Alaska: Geological Survey of Canada, Bulletin Sweet, W.C. & A.K. Miller - Ordovician cephalopods from Cornwallis and Little Cornwallis .. Ordovician trilobites from the Keele Range, northwestern Yukon Territory. Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska. Neogene and Quaternary quantitative palynostratigraphy and paleoclimatology from sections in Yukon and adjacent Northwest Territories and Alaska. Quaternary International 82 () 5–31 Geologic evolution of the Yukon Prior to these events the Yukon River drained south into the Gulf of Alaska. and palynostratigraphy and paleoclimatology from sections in Yukon drainage in Canadian Journal of Earth Sciences and adjacent Northwest Territories and Alaska. Alaska and Yukon Territory (T.A. Ager). Neogene palynofloras and terrestrial paleoenvironments in northern Steps toward drier climatic conditions in north- western Africa during Considerations for the PRISM paleoclimate study (L.C. Sloan). .. about terrestrial climate on adjacent land .. Neogene and Quaternary.
